FRAUD TRENDS

Check Fraud – Fraudsters use online scams for ‘work from home’ jobs or selling items to send you fake checks for deposit. Don’t be scammed!

Gas Pump Fraud – Skimming devices are set up at the pumps and copies information from your inserted credit card. These devices are placed by fraudsters. You are safer taking the credit card inside to pay!

Wire Fraud – Fraudsters set up fake emails that appear similar to a lender or title company you are working with and then give you instructions to send money. Do not send any money to anyone you don’t know!

How Can YOU Help US Fight Fraud?

- 🚩 Check your accounts frequently online or on our mobile app.
- 🚩 Use our free CardValet App to turn ON & OFF your debit card.
- 🚩 Ask us to enroll you in Text Alerts so that you can identify suspicious debit card transaction fast.
