PriorityONE + Your Employer = A Perfect Match!

It's no secret that we love our members. Now, we'd like to show your employer or organization the same appreciation by inviting them to become a PriorityONE Select Employer Group (SEG). A SEG is any business or organization that invites us to speak to their employees or members on a regular basis about the benefits of credit union membership.

There's no selling, and there's no cost to your employer or organization. It's a sweetheart of a deal!

When you introduce us to your organization

from July 15th through September 30th and **they agree to become a PriorityONE SEG, you'll get a \$50 bonus!**

Share the love by completing the form on our web site, call us at 954-335-5100 or complete the form included in your statements and you'll be helping to support your credit union.

We're passionate about the benefits of credit union membership and giving all members a trusted and affordable place to save and borrow. Now, we're ready for more partners that will contribute to the future success of your credit union. So become a matchmaker and find us the perfect match.
