Keep Your Guard Up When on Vacation

Preparing for a summer getaway? Be sure to take precautions to avoid becoming the victim of identity theft wherever your travels may take you.

Here are a few helpful tips to follow:

- Do not leave documents containing personal information lying around the hotel room.
- Do not keep your Personal Identification Number (PIN) with your ATM/debit card or your credit card.
- Carry only the checks and/or credit cards that you need.
- Notify us if traveling abroad so we can note your account and know to watch out for out of area transactions.

Whatever your summer plans may be, enjoy and be safe!
