FRAUD PREVENTION TIPS! TEXT SCAMS – UNPAID TOLLS

Have you received a text claiming you owe unpaid tolls? It's likely a scam! Scammers are pretending to be tolling agencies and demanding payment. If you click their link and share personal information, they could steal your identity.

IMPORTANT REMINDERS:

- Don't click links or respond to unexpected texts.
- Verify the message by calling your state's tolling agency using a known number.
- Report and delete suspicious texts using your phone's junk report option.
